## Message from the President

**Dear Members,**

It is with a very heavy heart that I share that I will not be running for the Board this year. As many of you know, I faced some significant health challenges last year. After much thought and reflection, I believe this is the right time for me to step away from my Board responsibilities—at least for the time being.

I will continue to fulfill all my duties as a Board member through the end of my term on June 30, 2025. I am committed to ensuring a smooth and seamless transition for my successor and am here to assist in any way I can during this time. While I will no longer serve on the Board, I do plan to stay involved in ways that I can and will gladly consider any requests for advice or support from the newly seated Board members and officers.

As my term as a director and my role as President of the Paradise Art Center Board come to a close, I want to express my heartfelt gratitude for the opportunity to serve over these many years. It has been a truly rewarding and enlightening experience, and I'm honored to have been part of such a vibrant and meaningful organization. Together, we have reached milestones that will have a lasting impact on our beloved Art Center.

I must say—this current Board is perhaps the finest I've ever had the pleasure of working with, and that's saying something after a long life of service on many Boards! I'm deeply grateful for the trust, camaraderie, and support I've received. I'm proud of what we've accomplished—the challenges we've faced, and the successes we've shared. I have every confidence that the Paradise Art Center is in good hands and will continue to prosper and provide meaningful support for the fine arts on the Ridge.

Thank you once again for the incredible opportunities, the shared memories, and your unwavering dedication to the Paradise Art Center. I wish the Board and all Paradise Art Center members continued success in all your future endeavors.

**With sincere appreciation,**

Kathy Dysert

# Partners in Art Fundraising

As evidenced by a very busy Spring schedule of events, our Fundraising Committee continues to work hard. All money raised benefits the Art Center's Capital Improvements Fund.

In March we hosted a Mardi Gras-themed WINE TASTING event at the Art Center. We are grateful to Livia and Wayne Kurtz of the Paradise Grocery Outlet for supporting us through another fun, wine tasting event. Thanks to all who attended, we raised almost \$300.00.

PIZZA NIGHT at Mountain Mike's in Paradise was our fundraiser in April. We raised a total of \$320 from donations and from a % of the profits from all dine-in pizza orders that night. Thank You Mountain Mike's!

In May our 2nd annual HAMMERS & HARMONY music event was held at Theatre on the Ridge. Thanks to the generosity of Theatre on the Ridge and the donations of time and talent of the talented musicians, all proceeds benefit the Art Center. Over \$1,300 was raised from donations and ticket sales for this event. Special recognition belongs to Maryann O'Kelley, Camille deGanon and Max Minardi for not only putting on a GREAT show for us but for their promotional support of this event as well.

Kudos to our dedicated Committee members Patti Lloyd, Diana McCollum and Ann Slocum as well as to Sheri Schwarzweller for her graphics design talents and to Brian Corbit for his PR support.

Please reach out to any of these committee members or myself if you'd like to help in the important work of this committee. We welcome all new voices and ideas!

SAVE THE DATE: Mark your calendars for our ART AUCTION fundraiser on October 18th . The location this year will be the Burnt Barn Distillery. More details to follow.

# We Are Open 7 Days a Week!

Paradise Art Center is now open on Saturdays and Sundays from 1–4 PM, thanks to the dedicated efforts of Nina Cooper, who has begun re-establishing a docent program that hasn't been available since before the Camp Fire.

This means visitors can now enjoy the artwork in our Wheeler Gallery, shop for gifts, or inquire about classes over the weekend! With this addition, we are now open seven days a week from 1–4 PM.

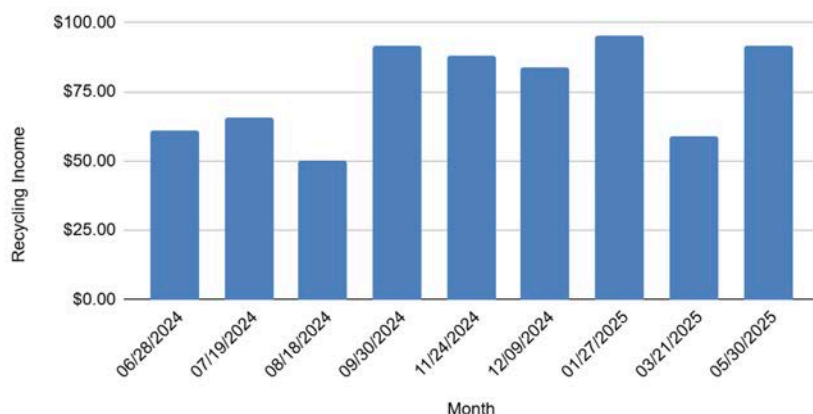

We are currently working toward having docents in the Art Center on weekdays from 1–4 PM. If you're interested in volunteering as a docent for just three hours a week, please contact Nina Cooper at (707) 758-6165.

Being a docent is a fun and rewarding experience—you'll make new friends, learn new skills, serve your community, and be part of the pioneering spirit rebuilding our town.

Join us in keeping the arts alive in Paradise!

## Recycling Update!

Recycling Income by Month: CRV Aluminum cans and Plastic Bottles

Thank you to everyone who continues to bring in their recycling to the Paradise Art Center. The Recycling income goes up and down some but we continue to receive close to \$90 a month with your help. The income from recycling is going into the Building Fund to help fund improvements at the Art Center.

If you haven't been bringing in your recyclable bottles and cans please feel free to drop them off in the courtyard. There are 2 plastic garbage cans with lids: one for aluminum cans and one for plastic bottles. If you have a large bag of recycling you can drop it off next to the cans. Please do not bring in glass bottles - They are heavy and do not generate enough income to offset the effort.

Thanks again for your help!

## Member Spotlight – Cathy Hales

An organization such as Paradise Art Center depends on the continuity of support from its members as well as the surrounding community, especially after a disaster such as the 2018 Camp Fire. Such a steadfast member is Cathy Hales. Cathy has been a member of the Art Center for 19 years. She currently facilitates the Tuesday afternoon watercolor open studio and, in the past, taught a class in alcohol inks. Previously she served on the Board 3 different times, was building facilitator, helped with the Art Center fund raiser Souper Saturday and continues to help with Johnny Appleseed Days and the Chocolate Festival.

The 2018 Camp Fire brought many changes to not only the infrastructure of the Town of Paradise, but to the residents of both Paradise and Magalia. Although Cathy's home in Magalia survived the fire, when asked how the fire had impacted her life she stated, "At first I didn't realize how much I would be impacted by the fire. As time has gone by I have felt saddened for all the business that we have lost, how empty the town is, friends who lost their homes and moved away and the loss to all the trees that made Paradise Paradise." Continuing, Cathy stated, "The art center didn't open right away and we lost a whole lot of members. The group that I was in went from 10 to 3 people. The center has struggled for the past 8 years trying to add new members and improve the building. This [is] a slow process but thanks to many volunteers we are gaining more members and money for the center."

In her early years Cathy was encouraged by her mother and grandmother to engage in art projects. When older she was able to take art classes in the 8th and 9th grade, which led to her love of

watercolor. While attending college to become a teacher Cathy took classes emphasizing art for children, but retirement enabled her to follow her personal art journey. She began taking watercolor classes at Paradise Art Center with instructors Flo Barnett, Evonne Cramer and continued with Sylvia Sisley-Smejkal, Kathleen Presentati and Lenn Goldmann. She also attended classes taught by National Watercolor Society artists Valerie Payne, Lien Quen Zhen, Tony Couch, Robbie Laird and Joyce Hicks. Continuing to broaden her skills she also took classes from Christie Beebe in drawing and Vera Rodgers in colored pencil.

Having experimented with colored pencil, alcohol inks and drawing, watercolor remains Cathy's favorite medium. "I paint because I love it. It is calming. When I paint I don't think of other things, especially what is happening in the world today. I get totally engrossed with the process..." She commented that she doesn't have a favorite subject, and looking at her artwork it is obvious she is inspired by a broad variety of subjects.

*(continued on next page)*

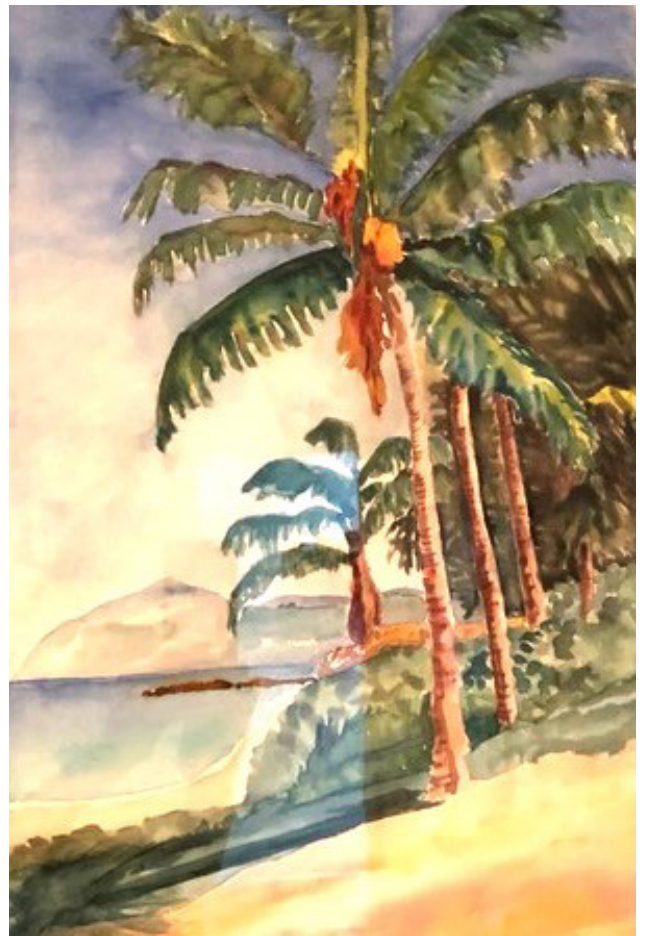

## Member Spotlight: Cathy Hales

Three of her favorite artists include Van Gogh, Monet and Michelangelo. "I like realism and impressionism. I don't understand abstract art, but once in a while I will like something abstract that I see. It's mostly the colors that I'm drawn to."

It is obvious that Cathy is a strong supporter of the Paradise Art Center and community art centers in general. "Art centers are very important to communities. They give citizens a place to gather and participate in activities they enjoy. Also they are places to meet other people with the same interest and a place to practice their art." She also stressed the importance of art in school. "Children need to experiment to see what they enjoy from art or crafts. Elementary is the best time to begin this."

Art has woven a tapestry of accomplishment throughout Cathy Hales' life and her constant and continued support of the Art Center and its membership is invaluable. If you haven't visited the Art Center recently, drop by on a Tuesday afternoon. You might be able to see one of the Wheeler Gallery exhibitions and the watercolor open studio which Cathy facilitates.

# FACILITIES UPDATES

Leaky roof in the Pottery Classroom fixed - The leaking roof in the Pottery Classroom has been fixed – the contractor team went on the roof and sprayed water on the leaky section and determined that when the wind was driving the rain from a specific direction water came straight in. The roofer re-roofed that section of the roof. While they were here working they also removed the vent pipe that was no longer in use.

Drywall patches where drywall had to be removed to resolve the leaky roof have been installed, taped and mudded. The other hole in the drywall from the vent that went through the roof has also been fixed.

Mini-Splits have been installed in the pottery classroom and in the glazing room (they will provide heating and cooling for both of those rooms. This will resolve the overall issue we were having for the entire building. Our HVAC unit was not strong enough to cool/heat the entire space – in addition to that we were using the zoning system in a way it is not designed to be used. The HVAC system on the pottery side was abandoned and the thermostat control for the HVAC was removed from the pottery classroom. There are remote controls on the pottery classroom and in the glazing room to control the mini splits.

Japanese Maple planted in the ground moved: Thank you to Sandy Miller for volunteering to move the Japanese Maple that is planted in the ground in the courtyard. It needed to be moved since the outdoor unit for the mini-splits was installed outside the window. Sandy showed up and moved the tree to a pot where it was safe for a few weeks and once the mini-split installed was complete she came back and replanted the tree – which shows NO sign of stress from the move. Sandy your help and expertise is appreciated!

Ceiling, walls, trim and interior doors painted in the pottery classroom - Since we needed to repaint the ceiling in the pottery classroom – the board made a decision to paint the ceiling, walls, trim and the interior doors in the pottery classroom. We are still investigation options for the cement floor in that room.

The light that was taken down will be re-installed soon.

Mud Room and glazing room – no work has been done in the mud room (the middle room with the sinks) or glazing room yet – but these rooms would benefit from some changes. Fundraising efforts are underway to raise money for continued improvements to the pottery side of the building.

Thanks to Patti Lloyd and Sheri Schwarzweller for their help with weeding. Your time and hard work is appreciated. We still have some weeds in the courtyard and weeds in the alley if any members have time and want to help remove them.

Sally Armstrong and Byron Wheeler have taken on the task of watering the plants in the courtyard and the lavender in the front of the building. Your initiative and time are appreciated!

## **NEW BOARD MEMBERS: 2025 - 2027**

Welcome to our new Board, starting July 2025. With five seats open and five candidates running, the board could appoint those five to serve on the 2025-2027 board. We thank our outgoing board members; Kathleen Dysert, Cathryn Hudin and Lori Phelps-Zink for their service to Paradise Art Center. And thank you to Pam and Berta for continuing to serve on the board.

Introducing our new 2025 - 2027 board members...

### **Pam Hartley**

Pam has lived in Paradise since 1981. She joined Paradise Art Center in 2021 and the Board in 2023. Pam enjoys taking Pastel and Watercolor classes and attending the Art Center events. Pam co-owns and manages Joy Lyn's Candies in Paradise with her son and husband.

### **Patti Lloyd**

I became active with the Art Center after the fire as my way to be part of rebuilding community, and realizing the importance of art in healing for myself and others.

### **Marcia Regalado**

Hi I have been a member of Paradise Art Center since the early 1980's. My passion for clay is what led me here. I loved it enough to pursue an AA degree in Ceramics from Butte Community College. I was fortunate enough to become a lab tech in the ceramic department for the next 7 years. It gave me the experience to guide students with their clay work, glazing and firing kilns. I am excited to be a new member of the board and continue guiding the ceramic studio with this knowledge.

### **Berta Roebuck**

I've been a board member since July 2023 and am honored for the opportunity to continue to serve Paradise Art Center. I also help out with the Art Center's website, quarterly newsletter, and other technical tasks as needed. I took my first art class at Paradise Art Center all the way back in 1991, and am excited to continue to be involved.

### **Joanne Wright**

I've been a member for a few years after retiring from the SF Bay Area. My mediums are oil, watercolor, gouche, block print, pen and ink.

# BOARD MEETINGS
